Llanfair, Welshpool,

May, 1912.

Dear Sir or Madam,

The Committee have decided that a Show be held again this year as they consider that it has been the means of greatly improving Stock Breeding as well as Garden Cultivation. The expenses incurred in connection with the Society are very heavy, and the Committee are again compelled to ask your assistance in the way of a Subscription. They trust you will again this year assist them and, if possible, increase your Subscription as the Society is dependent on the generosity and kindness of the Landlords and Gentry who have so ably supported the Show in the past. We have pleasure in enclosing you Schedule and Balance Sheet. For the convenience of the Committee and Officials kindly pay your Subscription to the Hon. Treasurer, Mr. M. Lewis Jones, London City and Midland Bank, Llanfair C., or to the Secretaries at as early a date as possible.

Thanking you for your previous patronage and support,

We remain on behalf of the Committee,

Yours faithfully,

DAVID DAVIES,
E. ANWYL EVANS, } Secretaries.
